### LEGISLATIVE COUNSEL'S DIGEST

AB 435, as amended, Chang. California Environmental Protection Agency: Natural Resources Agency: Web casts of public meetings and workshops.

Existing law establishes the California Environmental Protection Agency and the Natural Resources Agency as agencies in the state government. Existing law, the Bagley-Keene Open Meeting Act, generally requires that all meetings of a state body be open and public.

This bill would require that each department, board, and commission of the Natural Resources Agency and each department, board, and office of the California Environmental Protection Agency Web cast all public meetings and workshops, in a manner that enables listeners and viewers to ask questions and provide public comment by telephone or ~~email~~ *electronic communication* commensurate with those attending the meeting or workshop. The bill would require the agencies to archive the recording of a Web cast for subsequent reasonable viewing by interested members of the public.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.
